

Tomorrow is the BIG day!

Our Amazing Give happens just once a year, and it is a fantastic way to support the mission of Hands to Love! Last year, H2L was gifted \$62,500 through the Amazing Give. This year our goal is \$75,000, which would fully fund Hand Camp 2025! We are counting on you to spread the word, to fundraise on behalf of H2L, and to give generously.

With grateful hearts, Hands to Love

This is our story: Hand Camp 2024

*Take me to my refuge surrounded by the trees
 Away from what I've been through so I can just be
 The world doesn't know what it's like,
 Gotta fight just to do simple things
 When you're someone like me*

*It might be my hands,
 it might be my feet
 But inside of my soul,
 I've never been more complete
 What I am is unique*

*And God has a plan,
 I don't always understand,
 but I know I'm gonna reach
 For every little thing
 that they say I can't do
 When I finally do it is when
 you know you can, too*

*Got my family around me,
 so even when the bullies wanna clown me,
 Whatever they're saying is never true
 You can laugh, you can stare
 If only you would ask I could share
 You could finally get passed what you fear
 Compassion appears
 Feel like I don't, have to disappear
 I'm tired of holding back all the tears*

*No, I'm not a monster,
 No, I'm not a freak
 I look a little different,
 But I'm a human being
 Imagine if you were living this
 What if you were me?
 You'd probably be a little more considerate
 And think before you speak*

*We all got a mountain to climb,
 Might take me a little longer
 But gimme some time
 No I'm never gonna give up,
 I'm never gonna quit
 I fall down and get up and try it again*

*Hands to Love,
 I don't need anything
 God gave me everything, everything
 Hands to Love,
 Family around me,
 I'm wearing my difference proudly*

HANDS to LOVE

*Hands to love, to love, to love
Hands to Love,
I don't need anything,
God gave me everything, everything*

*We gotta make peace with the pain
 Release all the shame
 At least have belief
 that we came to this Earth,
 To increase the exchange
 Of everything we need for the change
 That everybody needs
 so we can feel beautiful*

*Everybody breathe
 I want to see everybody free
 I'm never gonna give up, I'm never gonna quit
 I fall down and get up and try it again*

*Hands to Love,
I don't need anything
God gave me everything, everything*

*Hands to Love,
Family around me,
I'm wearing my difference proudly*
