OT Tip of the Month

Looking for a fun craft idea this summer?

Check out this “Crayola Menorah” created by Esther O. It helps stabilize marker caps and allows for better grip on the marker itself. Not to mention, it helps keep the workspace organized!

- Begin by locating a sturdy container/organizer for the base.
- Mix Plaster of Paris using disposable container and spoon
- Pour mixture into container/organizer and insert marker caps into Plaster of Paris (should be $\frac{3}{4}$ of the way covered)
- Arrange in any way you like!
- Allow plaster to fully dry before placing markers in caps

- Navigate to handstolove.org and click the “donate” tab located on the top right of the home page
- Read more on how to support Hands To Love through fundraising!
- Click the blue button (on the right side of the screen) that says “Fundraise for H2L”
- You will then be redirected to the Fundraiser Form to provide basic information needed to set up the fundraiser

Please note, all fundraising efforts must use our designated giving platform, Donorbox, for collecting donations.
